

What to Expect:

Welcome to Eastwood church of Christ! We want you to feel comfortable when you visit us, so let us tell you what you can generally expect when you come.

The Setting:

You will be greeted by many friendly people when you enter the doors of Eastwood. As you enter what we refer to as the “auditorium,” you will find a place to sit. There are no reserved seats, so feel free to sit anywhere. You will notice that folks are dressed neatly but casually for the most part. Sunday morning worship service usually has around 50 persons ranging from youth to seniors.

The Music:

One of the unique things about Eastwood church of Christ is that the music is ‘a cappella;’ that is, we sing without the use of musical instruments. We love the beauty and joy of worshipping God from our hearts with our voices and in the manner His Word has directed. We believe you will find the singing meaningful and uplifting, with everyone being invited to participate.

Other Aspects of Our Worship:

When you honor us with a visit you will hear spoken prayers and a lesson from God’s Word. We believe in the power of prayer and God’s Word, so these aspects will take up a considerable amount of our worship time. The lesson is normally around 30 minutes long. We hope you find it refreshingly Bible-centered and applicable to your life.

The Lord’s Supper will also be included in our worship time. During this time, trays of unleavened bread (symbolizing the body of Jesus) and cups of grape juice (symbolizing the blood of Jesus) will be passed throughout the auditorium. You do not have to participate in this celebration of what Jesus did for us on the cross. You are welcome to just pass the trays to the next person.

Trays will also be passed to collect a weekly financial offering. As our guest, you are not expected to make a donation. At this time if you have filled out a visitor’s card, you may place it in the collection plate.

At the close of the lesson, the preacher will “extend an invitation.” He will encourage those who wish to ‘respond’ to come to the front of the auditorium while the congregation sings. At this time, if you need help spiritually in any way, please come forward.

What is Expected of You?

We hope that you will participate in the worship service. But don't feel obligated. Just observe if that is your choice.

Also, if you would, when you visit, fill out a guest card and make us aware of your visit. This simply provides information so that we can write or call to thank you for your visit. We will not come to your home uninvited. We will simply send you a letter or card thanking you for visiting us.
